

PROGRAMME: Breast Imaging

FOR PROFESSIONALS AND PATIENTS

- 09:00** Introduction and Welcome to the Day: *Eva Alfayate, Degree in Radiology*
- 09:10** Round table meeting: Anatomical breast *Stefano Pacifici, Degree in Radiology*
Breast ultrasound: *Trinidad Cañuelo, Degree in Radiology*
ECO-MRI: *Sergio García Fauro, Radiographer*
Nuclear Medicine: *Elías Mergelina, Radiographer*
Radiotherapy: *Juan Antonio Barragán, Radiographer*
Interventional: *Stefano Pacifici, Degree in Radiology*
- 10:15** Breast Pathology Unit. Coord: *Virginia Ruiz, Radiotherapeutic Oncologist, Silvia Pérez Rodrigo, Radiologist, Head of Breast Pathology Unit and Maria Eugenia Rioja Martín PHD Nuclear Mediciner. President of Radioguided Surgery's Group.*
- 10:45** Patient Experience. Doubts, Communication, Comfort. Coord: *Carlos Bezos Daleske-IXP Representative, Miguel Ángel De la Cámara- Radiographer, Ángeles Barrios-Philips y Natacha Bolaños GEPAC*
- 11:25** Today we celebrate in breast imaging services. *Merche García, Francisco Montero, Francesc torres, Juan Antonio Barragan y Eva Alfayate*
- 11:30** **Coffee break** Demonstration ABUS *Eduardo Aparicio GE Healthcare*
- 12:00** Round table meeting: The relationship between Oncology and breast imaging. Coord: *Pilar Manchón Radiologist, Teresa M Miguelañez, Virginia Ruiz – Radiotherapeutic Oncologists an Almudena Calleja- Radiographer and patient.*
- 12:30** Customization of breast diagnosis. “Controversy”. Coord: *Miguel A De la Cámara. Radiographer Guests: CAM Representative (TBA), Mercedes Acebal - Radiologist: SERAM/SEDIM, Margarita Chevalier-Radiation Physicist-SEFM*
- 13:15** Content integration. *Patricia Matey-ROSE Magazine. Pilar Manchón-Radiologists and Virginia Ruiz-Radiotherapeutic Oncologist.*
- 14:00** **Lunch break** Demonstration ABUS *Eduardo Aparicio GE Healthcare*

FOR PROFESSIONALS

- 15:30** Professional Specialization in Radiology. Professional skills and Innovation. *Stefano Pacifici- Graduate in Radiology EDBI.*
- 16:15** Degree in Medical Imaging and Radiotherapy. *Javier Gálvez- Degree in Radiology*
- 16:45** Contrast mammography. *Aurora Talaverano-GE Healthcare.*
- 17:15** 3D Ultrasound: Workshop ABUS method. *Sabina Cortés-GE Healthcare.*
- 17:35** The importance of Tomosynthesis in the early diagnosis of breast cancer. *Ana Gómez Prado-Siemens*
- 17:55** Advances in breast ultrasound imaging. *Javier Moreno-Toshiba*
- 18:15** Closing of the Day. Making Visible the Invisible. *Javier Comas.*
- 18:30** Closing: *Miguel A De la Cámara, Javier Gálvez and Eva Alfayate.*
